HELP CREATE POLITICAL WILL FOR CARBON FEE & DIVIDEND

Carbon Fee and Dividend is a revenue neutral carbon tax where 100% of the dividends are returned to all households on an equitable basis and in the form of a dividend cheque, akin to the "baby bonus" cheque.

Citizens Climate Lobby is a non-profit, grassroots advocacy organization focused on national policies to address climate change. We train and support volunteers to reclaim their democracy and engage elected officials and the media to generate the political will for solutions that will stabilize the Earth's climate.

Fifteen chapters from across Canada connect monthly by teleconference calls, gather annually in Ottawa, and published an average of one letter a day in Canadian newspapers in January 2014.

CCL is a non-partisan organization. People of all political stripes are welcome
